

Parusso

ROVELLA

LANGHE DOC BIANCO

30 Harvests

Our Rovella white celebrates its 30 harvests .
With 2020 vintage this wine changes its image, with
a new bottle and new label.

It has always been the flagship white wine of the
Parusso winery, born in the early 90s from Marco's
passion for important French white wines and his
desire to experiment.

It is made with 100% Sauvignon blanc, but the
purpose of this label is to underline the territory of
origin and the method of vinification rather than
the grape variety.

Rovella is a wine of great evolution and complexity.
Being an exclusive wine it finds place in a niche
market for all those who seek extreme finesse and
deep emotions.
